- Including non-profit institutions serving households.
- In accordance with the ESA 2010, in December 2014 holding companies of non-financial groups were reclassified from the non-financial corporations sector to the financial corporations sector. These entities are included in MFI balance sheet statistics with financial corporations other than MFIs and insurance corporations and pension funds (ICPFs).
- Adjusted for loan sales and securitisation (resulting in derecognition from the MFI statistical balance sheet).
For euro area and the Netherlands loans are also adjusted for positions arising from notional cash pooling services provided by MFIs.
