- 1) Amounts issued by euro area residents. Amounts issued by non-euro area residents are included in external assets.  
2) After a transitional period ending on 31 January 2012, the definition of money market funds for euro area statistical purposes was brought into line with the criteria applied for supervisory purposes under the guideline on a common definition of European money market funds issued on 19 May 2010 by the Committee of European Securities Regulators (CESR). This change has led to reclassifications of money market funds and other investment funds.
